The following information is provided as a guide to help assist Specialty Clubs with setting up a

SUPPORTED ENTRY

A Specialty Club that is sanctioned by the American Kennel Club and which has held at least one successful B-Level sanctioned match may support the entry of its breed at an All-Breed or Group Club event. Supported entries are limited to one specialty club per breed.

- No application is required for a supported entry.
- Supported entries are automatically approved if they are held with an All-Breed or Group Club event.
- An application must be submitted if the specialty club wishes to hold a Sweepstakes or Futurity event as part of the supported entry.
- No listing of officers or other details concerning the Specialty club are permitted.

The proper notice for the Premium List and catalog is:

The NAME Club will support the entry of Breed at this show.

No listing of officers or other details concerning the Specialty club is permitted.

Additional details concerning trophies, parking, judging selection and time of judging, etc. are to be worked out between the All-Breed/Group Club and the Specialty Club.

If a Specialty club wishes to go outside its assigned area (usually more than 100 miles) and there is another Specialty club of the same breed in the area it should notify the club that it wishes to support the entry at the All-Breed or Group Show.

Questions on the above may be directed to the phone number or email address indicated above.
