Other Chair positions are being worked on as well as health and educational seminars. I am very excited about the World Equine Center and do plan a visit to the facility in the very near future. I believe that we will have a great cast of volunteers bringing this event together to success!

Additional Event and Venue Information

The director of the Alario center has a performance dog and understands the facility needs for a dog show. He is very interested in working with us. There is lots of green space and excellent free parking.

Agility is proposed to be outside on grass after polling multiple exhibitors in Loveland and other members that said they do not want to run on carpet. As an alternate, there is an indoor soccer facility just 10 min from the hotel if weather is an issue.

The Spillway is often used for hunt tests and is controlled by the Army Corps of Engineers. If we are unable to use that location (due to the spillway being opened for flood control- however it has NEVER been open in October), I have a back up location already identified approximately 1:15min from host hotel.

Names of Additional Volunteers

Josh Mendrell has volunteer to co-chair field with Paul. Matt Palmer has offered to do Merchandise. Meghan Hansen will help as needed. Connie Owens will co-chair Rally/Obedience with Judy. I have commitments to chair from 100% of the Louisiana Toller Club membership. While Texas is not part of our region, I have multiple people from Texas that have offered to step up and assist. Also, interest from members in the panhandle of Florida to help.

Any additional information you would like to share?

I have experience putting on horse shows, and I also previously ran events and banquets for my job. The Jefferson Parish convention and visitors bureau is very interested in our group coming and as we are able to work out details I believe they will have some funding to put towards facility rental. All of the venues we are working with have adequate and free parking for Sprinter and large trucks. These venues are located in the suburbs of New Orleans, and would be a quick 15-20 min ride for anyone interested in going to the French Quarter.
